SPEED NETWORKING & TRADE SHOW

Industry Networking & Collaboration

HOW IT WORKS

Kick off with lunch and our keynote speaker, then dive into speed networking where property managers host tables and vendors rotate for quick, focused introductions.

Later, we flip the format—vendors host trade show tables during a lively cocktail reception, giving property managers time to connect on a deeper level.

Raffles, networking, and plenty of opportunities to showcase your business, all in one dynamic event.

Get a vendor table • Sponsor the event • Join us for an exciting day!

Speed Networking Management Tables are FREE
